## Welcome to Erik's Ranch & Retreats!

A solution that was born out of love. And need. We proudly offer a first-of-its kind living, working and social environment for young adults with autism. Not only are both locations home to young adults with autism, but what sets Erik's Ranch & Retreats apart is that these young adults operate the boutique-style guest accommodations at our two destination locations: the Retreat in Edina, Minn., and Erik's Ranch, in Paradise Valley, Mont.
