

Pop-up Gallery Artist Application

The goal of this program is to allow for seven emerging artists of all ages to publicly display their artwork in seven different establishments throughout town. The application process is \$35 or free for current members of KAAHC.

Artists are required to submit the following:

Upon acceptance into this program artists will be expected to:

- Have between one and seven original, high quality pieces of artwork that are ready to hang and have never been displayed in public or on social media before.
- Have any additional supplies, other than hanging hardware, that will be needed to display your pieces.

What the artists can expect from the Program Development Committee:

- Access to nails, screws, hooks and other hardware for hanging and displaying artwork.

- Assistance in processing exhibit sales.

KAAHC and the Program Development Committee are not responsible for the loss or damage to any of your artwork while it is being displayed in these public establishments. Any artwork submitted must be in accordance with Ketchikan Area Arts and Humanities Council's by-laws.
