Artist Application Process for KAAHC Website

Hello Artist,

KAAHC has supplied the community with a platform to be able to share their art through their website, all with the intention of supporting your art on a larger scale. Below are the step by step instructions on how to set-up your account.
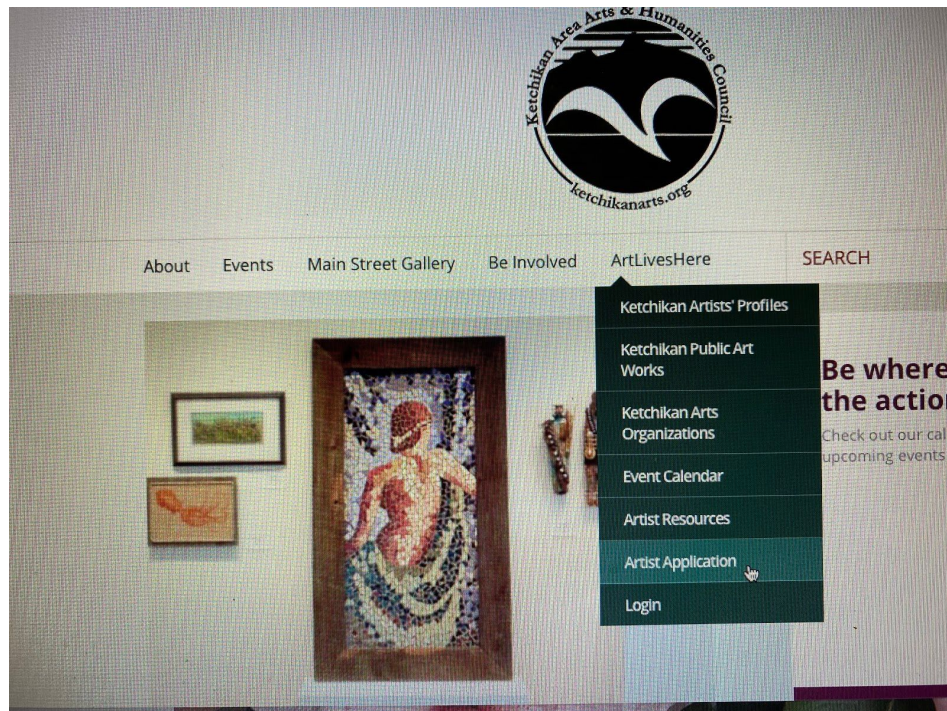

Your account will be password protected so you may edit at anytime and others cannot change the information without your approval. With that being said, we ask that you please upload appropriate content.

STEP 1: go to www.ketchikanart.org

STEP 2: Click on the ART LIVES HERE TAB on the navigation bar

STEP 3: When drop down menu appears click on the Artist Application

STEP 4: Fill out the application

TIPS:  if adding your website be sure to include http://

Please be sure to provide a description of your picture.
You may include the following:
Materials and Mediums used for artwork
Locations
What is happening in the photo (if it is an action shot)
What event is it (if it is at an event)

Once the application is filled out, it will then need to reviewed and approved. Once that happens you will receive an email similar to the one below:
