Tips:

- Look at your piece from all angles. The audience will have a 360-degree view, and will be sitting lower than the runway, (pay attention to how your piece looks from below).
- All visible apparel must be intentional and pertain to the piece being presented. For example, regular street clothes are not appropriate to set off a beautiful papier-mache hat.
- Consider how your piece will "read" from across a large room. Fine detail may be lost at a distance.
- There is limited space backstage to store pieces, we ask that you check in advance if your piece is larger than a standard doorframe.
- The Ted Ferry Civic Center forbids the use of glitter. DO NOT USE GLITTER ON YOUR PIECE.
- In selecting your music, consider how movement can enhance, and what music suits, the mood of your piece. Lyrics are often the least important detail of the music selection.
- We strongly recommend you do not sing along with your music on the runway - it makes the audience uncomfortable, and you run the risk of looking silly.
- We cannot accept late music submissions.
- If multiple artists choose the same music, all who chose it will be informed, however, the first artist who turned in their application will be given priority to use the song.
