

Main Street Gallery

Exhibit Selection Process:

- Proposal submissions due Friday, March 1st, 2022!
- The KAAHC Program Development Committee (PDC) recommends an anonymous Selection Panel (SP), which will include artists, gallery owners, art appreciators, historians, and culture bearers.
- The SP reviews exhibit proposals and makes recommendations to the PDC for the upcoming season.
- The PDC reviews recommendations and places exhibits into specific months of the season and recommends the full season to the KAAHC Board of Directors.
- The KAAHC Board of Directors approves the season as presented, or makes recommendations for revisions.
- Feedback is given to all who submit proposals.

Our Mission has evolved to include the Humanities. The Humanities seek answers to questions about who we are, what we believe, where we have been, what we value, and why. By connecting people through the examination and discussion of ideas, the Humanities point the way to answers about what is right or wrong, or what is true to our history and our heritage. We are excited to encourage and include proposals that explore the Humanities in the Main Street Gallery 2022 -2023 season!
