Tips:

- Consider the audience will have a 360-degree view, and will be sitting lower than the stage (pay attention to how your piece looks from below).
- All visible apparel must be intentional and pertain to the piece being presented. For example, regular street clothes are not appropriate to set off a beautiful papier-mache hat.
- Consider how your piece will "read" from across a large room. Fine detail may be lost at a distance.
- There is limited space to store pieces, we ask that you check in advance if your piece is larger than a standard doorframe.
- **DO NOT USE GLITTER ON YOUR PIECE.** If there is glitter on your piece, you may not be able to perform.
- In selecting your music, consider how movement can enhance, and what music suits, the mood of your piece. Lyrics are often the least important detail of the music selection. No foul, racist, sexist, or derogatory lyrics in music will be allowed. This is a family art show!
- This is not a lip-syncing event - do not encourage kids to sing along with the music while they are performing the Wearable Art piece.
- Encourage the models to practice moving in their piece they have 2 minutes on stage. What can they do to show off the piece best!
